Normally, we will have enough stock for various colors and sizes. But sometimes, Stock lacking will also happen. So before you buy, pls contact with us.

Our Quality is based on 90% Nylon 10% Spandex and one piece around 200gram-250gram. So pls don't compare those light weight with poly spandex cheap quality with us.

If you need to print your logo on top & bottom, we can also do for you. But pls send us your logo, logo printing position, logo size and qty to us. Then we can calculate the exact prices for you.
